SiriusXM Music for Business

4 Easy Listening Options

Grace Radio

Block unwanted channels and limit employee access to other radio features. A full color screen and ten presets make browsing the SiriusXM library a snap. Excellent solution for any size business.

BrightSign Radio

Centrally control groups of radios via the web, upload and schedule custom overlay messages, on hold music, messaging and more! This enterprise-grade player supports two zones of SiriusXM Music for Business.

Sonos for Business

Stream SiriusXM over your Sonos speakers. Full control with the Sonos app and wireless speakers for your business. Play a different song in the lobby, breakroom, even bathrooms, or the same track in every area of your business.

PC Player/SiriusXM App

Stream SiriusXM Business from your tablet or phone using the free SiriusXM Business App. Listen from your PC or Mac using the Free SiriusXM web player.
